History

The Auctioneers License Act was passed by the 1962 Kentucky General Assembly, thus creating the Kentucky Board of Auctioneers. On April 23, 1962, Governor Bert T. Combs signed Executive Order 62-298 and appointed John L. Cummins, Orville R. Moore, and Wayne W. Kessler as the first Board Members. The first Board meeting was held on July 2, 1962 in Louisville, Kentucky. In 1977, the number of Board Members increased to five members.

In July 1962, two hundred twenty four (224) applications for licensure were approved. On October 1, 1962 eight applicants sat for the first administration of the auctioneer examination. The pre-licensing education requirement of a high school diploma or equivalent became effective on January 1, 1985 for Principal Auctioneer applicants and on July 15, 1998 for Apprentice, Auction House Operator, Limited Livestock and Limited Tobacco applicants. The first Auction House Operator licenses were issued on January 1, 1991. Limited Livestock Auctioneer and Limited Tobacco Auctioneer licenses were first issued on July 1, 1993. Renewal 1993 was the first time that continuing education hours were reported. The continuing education requirement changed to annual reporting of six hours for Principals and three hours for Apprentices and Auction House Operators in 1994.

Primary Purpose of the Board

As an agency of the Commonwealth of Kentucky, the primary purpose of the Kentucky Board of Auctioneers is to protect the public. This is accomplished through the examination, licensing, and regulation of auctioneers and auction house operators. Compliance with the Kentucky Revised Statutes, Chapter 330, and the Kentucky Administrative Regulations promulgated by this Board is necessary in order to achieve this goal.

Reciprocal Agreements

The Kentucky Board of Auctioneers has reciprocal agreements with eighteen states. In most cases, a Kentucky resident principal auctioneer, who has had a Kentucky license for at least one year, may waive the examination in the reciprocal state and be issued an auctioneer license in the reciprocal state. During the license year of 2006-2007, fifty (50) auctioneers were issued licenses in Kentucky by reciprocity.

Examinations

During the 2006-2007 license year, 208 examinations were administered. Of this total, 42 passed the principal auctioneer exam, 77 passed the apprentice auctioneer exam, 12 passed the auction house operator exam, and 6 passed the limited livestock auctioneer exam.

Examination Dates for 2008: February 14th, May 22nd, August 14th, and November 13th. The exams are administered at University of Louisville - Shelby Campus, Shelbyville Road. Pre-registration is necessary. Exam applications are available on Board's website or requested by phone and mailed.

Financial Balance

The Kentucky Board of Auctioneers is a self-supporting agency of the Commonwealth. As of June 30, 2007, the Trust & Agency Account's ending fiscal year balance was \$132,400.63. The ending balance in the Auctioneer's Education, Research and Recovery Fund was \$529,067.21.

Licensee Statistics

As of January 10, 2008, there are 2,449 licensees. Active licenses are: 1,334 principal auctioneers; 534 apprentice auctioneers; 76 auction house operators; 25 limited livestock auctioneers; 360 reciprocal auctioneers. One hundred twenty (120) individuals have inactive/escrowed licenses.

Renewal and Continuing Education

All licenses expire June 30th. Renewal notices are mailed to all licensees in late May. The completed renewal form is to be returned with the renewal fee on or before Monday June 30, 2008. If not received, the license is canceled and the individual may not perform services as an auctioneer or auction house operator. Renewals will be processed only if the licensee* has completed the required continuing education (CE) from July 1, 2007 through June 30, 2008. It is not necessary to submit proof of attendance at the National Auctioneers Association (KY Board of Auctioneers contract vendor) seminars in Kentucky or the KY Auctioneers Association Convention seminars. Licensees who earn continuing education credit from the following sponsors should submit a copy of proof of attendance or a completion document by fax or mail to the Board office. Courses/seminars accepted

for continuing education include: 1) Colleges/Universities, 2) Certified Auction Institute, 3) Auction Schools, 4) KAA, NAA and other state/national auctioneer associations, and 5) any State or Federal agencies, boards or commissions.

Principal Auctioneers and Nonresident Principal Auctioneers report six hours. Apprentices, Nonresident Apprentices and Auction House Operators report three hours. Principal Auctioneers, who pass the Principal exam and become licensed between July 1, 2007 and June 30, 2008, report three hours for the 2008 renewal. Apprentice Auctioneers, who pass the Apprentice exam and become licensed between July 1, 2007 and June 30, 2008, do not report hours for the 2008 renewal.

All reciprocal licensees will submit a Letter of Good Standing from their home jurisdiction with their renewal fee and form. NOTE: the Letter of Good Standing will not be accepted if it older than 3 months. If a home jurisdiction requires completion of continuing education, the reciprocal licensee does not submit proof of CE to Kentucky. If a home jurisdiction does not have a continuing education requirement, that reciprocal licensee must submit proof of six hours of CE, earned from July 1, 2007 through June 30, 2008, to the Kentucky Board of Auctioneers for renewal of his/her license.

If a late renewal form is submitted between July 1, 2008 and December 31, 2008 AND the continuing education is completed between July 1, 2007 and June 30, 2008, the license will be considered a late renewal and the applicable fees will be due. If a licensee is exempt* from reporting continuing education and submits a late renewal form between July 1, 2008 and December 31, 2008, the license will be considered a late renewal and the applicable fees will be due. With any of the two previous scenarios, a reciprocal licensee must also file a "Letter of Good Standing" or certification from their home jurisdiction with the renewal form and fees.

If continuing education has not been earned by June 30, 2008, the licensee may renew by remitting the renewal form, applicable renewal fee and a CE penalty fee of \$300, with the directive that the CE hours to report for the next renewal are doubled. Or if the renewal form, applicable fees and proof of applicable CE has not been submitted to the Board on or before December 31, 2008, the individual will be required to take the examination for licensure.. The exemption status for continuing education is voided.

* Exempt from reporting continuing education in Kentucky by June 30, 2008: 1) an individual who became licensed in Kentucky before 1980, 2) an individual who only has a Limited Livestock License or a Limited Tobacco License, 3) an individual whose license is in escrow, and 4) an individual who becomes licensed as an Auction House Operator or an Apprentice between July 1, 2007 and June 30, 2008.

Auction Houses

A licensed auction house operator or a licensed principal auctioneer must own the controlling interest (51% or greater) in the auction business and receive the financial gain from said business. If there are equal partners in the auction business, all partners must have a license issued by the Kentucky Board of Auctioneers. An individual with an auction house operator license cannot call the bids; but must use the services of a licensed auctioneer to call bids. If the owner of an auction house business is a Kentucky licensed principal auctioneer, an additional auction house operator license is not necessary.

An auction house operator can only contract an auction at the auction house that is specified on the Auction House Operator License. If the contract auctioneer who is calling bids at an auction house has an auction at a site other than the auction house, the auction house operator is not a party to this particular auction.

Disciplinary Actions - July 2006 through June 2007

- Order dated 07/13/07, Alan David Loeser Sr., RP2844. Violation of KRS 330.110(1). Fined \$1,000.
- Order dated 10/02/07, Billy L. Stone, P1775. Violation of KRS 330.110(5). Written admonishment. Restrict activity as a licensed auctioneer to matters involving bid calling only and for said two year period will refrain from handling any funds belonging to auction clients or resulting from consignments or proceeds of the sale, except that he may receive compensation directly for the amount of his agreed fees.
- Order dated 11/28/07, Janet F. Cole, AHO2875. Violation of KRS 330.110(11). Written admonishment following Agreed Order to conduct future auctions in a manner as to preclude the issuance of cold checks or worthless instruments in writing resulting from licensed activity.
- Order dated 11/28/07, Jimmy D. Cole, A2086. Written admonishment following Agreed Order to conduct future auctions in a manner as to preclude the issuance of cold checks or worthless instruments in writing resulting from licensed activity.

Escrow of Licenses

A licensee with an escrowed license is considered inactive and may not perform any auctioneering activities as described in KRS Chapter 330. A letter of request and license (if an apprentice, the release statement on the reverse side of license signed by the Principal Auctioneer) is submitted to the Board office. There is no fee to place a license into escrow and the licensee is exempt from reporting continuing education.

If a person has not renewed his/her license by June 30th, he/she may not escrow and renew the license to avoid continuing education.

An escrowed license must be renewed annually by submitting the renewal form and fee. To reactivate an escrowed license, submit a letter of request, the business address and daytime phone (an apprentice would also submit a letter of association from a principal auctioneer), proof of the required continuing education, and a fee of \$130.

- (2) The board is authorized to require information from every applicant to determine the applicant's honesty and truthfulness.
- (3) In addition to proof of honesty, truthfulness, and good reputation, an examination, conducted by the board or its authorized representative shall be held four (4) times each year, and an examination fee of seventy-five dollars (\$75) shall be collected from each applicant for apprentice auctioneer and an examination fee of one hundred dollars (\$100) shall be collected from each applicant for auctioneer and from each applicant for livestock auctioneer, tobacco auctioneer, and auction house operator. Examination fees shall be nonrefundable and shall defray the expenses of processing the application and of conducting the examination. The examinations for auctioneer and apprentice auctioneer shall include questions on ethics, reading, writing, spelling, mathematics, elementary principles of land economics, and a general knowledge of the statutes of Kentucky relating to deeds, mortgages, contracts of sale, agency, leases, auctions, brokerage, and the provisions of this chapter. The examination for an auctioneer's license shall be of a more exacting nature and scope than the examination for an apprentice auctioneer. The examination for auction house operator license shall include those areas of knowledge which, in the discretion of the board, are appropriate to those seeking to operate auction houses. The examinations for livestock auctioneer and tobacco auctioneer shall include those areas of knowledge which, in the discretion of the board, are appropriate to those seeking a professional license to operate in those limited fields.
- (4) However, no examination shall be required for the renewal of any present or future license, unless such license has been revoked, suspended, or is allowed to expire without renewal. In any of these cases, the board may, in its discretion, require the applicant to take and pass the written examination before a new license may be issued.

330.070 Qualifications -- License fee -- Continuing education requirement -- License and pocket card -- Duty of auctioneer upon termination of apprentice employment -- Placement of licenses in escrow.

- (1) In addition to the other qualifications provided for by this chapter, every applicant for any license issued by the board shall be at least eighteen (18) years of age and hold a high school diploma or equivalent. In addition, but subject to the provisions of KRS 330.090, an applicant for an auctioneer's license shall possess a current Kentucky apprentice auctioneer's license and shall have served a bona fide apprenticeship for a period of two (2) years as an apprentice auctioneer in Kentucky, provided that any applicant for auctioneer's license whose apprentice license was granted prior to August 1, 1992, shall be required to serve an apprenticeship of but one (1) year. An applicant for an auctioneer's license who has previously held an auctioneer's license which has been revoked, suspended, or which has expired without renewal may request, and the board may grant, a waiver of the requirement of possession of a current apprentice license.
- (2) Every application for a license, whether as an auctioneer, apprentice auctioneer, livestock auctioneer, tobacco auctioneer, or auction house operator, shall be submitted on forms prepared by the board. Each applicant shall furnish pertinent background data as outlined on those forms.
- (3) The issuance fee for each license issued pursuant to this chapter shall be not more than one hundred dollars (\$100) and the annual renewal fee for each license shall be not more than one hundred dollars (\$100). All licenses shall expire on June thirtieth of each year. In the absence of any reason or condition which might warrant the refusal of the renewing of the license, and upon timely receipt of the written request of the applicant and the annual fee therefor, the board shall issue a new license for each ensuing year.
- (4) Beginning with the renewal of licenses expiring on or after June 30, 1993, the board may require as a condition precedent to the renewal of any license, that all licensees complete continuing auction education up to ten (10) hours per year per licensee. The board may impose different continuing auction education requirements, or none, upon different classifications of licensees under this chapter. The continuing auction education requirements provided for in this subsection shall not apply to those individual auctioneers licensed prior to January 1, 1980.

- (5) The board shall prepare and deliver to each licensee a license and pocket card. The license and pocket card of the apprentice auctioneer shall contain the name and address of his or her principal auctioneer. (a) Auction house operators shall display their licenses conspicuously and at all times in their place of business. All other licenses shall be kept on file in the licensee's place of business. (b) All licensees shall carry their pocket cards with them when performing auctioneering tasks, to be shown upon request. (c) Lost licenses or pocket cards will each be replaced upon request by the licensee and payment of a replacement fee of fifteen dollars (\$15).
- (6) When any apprentice auctioneer is discharged or terminates employment with the auctioneer for any reason, it shall be the immediate duty of the principal auctioneer to deliver or mail by certified mail, return receipt requested, to the board the license of the apprentice auctioneer. It shall be unlawful for any apprentice auctioneer to perform any of the acts contemplated by this chapter either directly or indirectly, under authority of his or her license, until the apprentice auctioneer receives a new license bearing a new principal auctioneer's name and address. No more than one (1) license shall be issued to any apprentice auctioneer for the same period of time.
- (7) A licensee may place his or her license in escrow with the board if the licensee does not engage in any auctioneering activity or auction house operations and continues to pay the annual renewal fees during the term of escrow. (a) For each year the license is in escrow, a licensee shall be exempt from the contribution to the auctioneer's education, research, and recovery fund described in KRS 330.192(1)(b) and the continuing education requirement described in subsection (4) of this section. (b) To reactivate a license in escrow, the licensee must meet the current year's continuing education requirement described in subsection (4) of this section and pay a reactivation fee of one hundred dollars (\$100).
- (8) Notice in writing shall be given to the board by each licensee of any change of principal business location or of residence address within ten (10) days of such change. In the event of change of business location address, the board shall issue a new license for the unexpired period. A change of business location without notification to the board within ten (10) days shall automatically suspend or revoke the license of such licensee, as may be ordered in the discretion of the board. Changing a business location or a residence location on its records shall entitle the board to collect ten dollars (\$10).

330.090 Nonresident licensee -- Fees -- Consent to be sued -- Waiver of apprenticeship requirement.

- (1) A nonresident may become a licensee by conforming to all the conditions of this chapter.
- (2) In every instance the nonresident shall pay the issuance fee and the annual renewal fee by this chapter. The nonresident shall also pay the annual fee to the education, research, and recovery fund pursuant to KRS 330.192 and, in addition, any fee required by KRS 330.095, whether or not the examination requirement is waived by the board pursuant to this chapter.
- (3) In addition, every nonresident applicant shall file an irrevocable consent that actions may be commenced against the applicant in any court of competent jurisdiction in the Commonwealth, by the service of any summons, process, or pleadings authorized by law on the secretary of the board. The consent shall stipulate and agree that the service of such process, summons, or pleadings on the secretary shall be taken and held in all courts to be as valid and binding as if actual service had been made upon the applicant in Kentucky. In case any summons, process, or pleadings are served upon the secretary of the board, it shall be by duplicate copies, one of which shall be retained in the office of the board, and the other immediately forwarded by certified mail, return receipt requested, to the last known business address of the applicant against which the summons, process, or pleadings may be directed.
- (4) In the event a nonresident applicant for an auctioneer's license resides in a state which does not prescribe qualifications for licensing as set out in KRS 330.095, the board may waive the apprenticeship requirement set out in KRS 330.070(1) if the nonresident nonreciprocal applicant: (a) Resides so far away as to preclude serving a bona fide apprenticeship under a licensed Kentucky auctioneer; and (b) Demonstrates to the board by affidavit or by other evidence as required by it that his or her experience and competency meet the qualifications to take the examination for auctioneer.

330.095 Reciprocal licensing without examination.

Any nonresident applicant who is a licensee in and who resides in another state or country where the qualifications prescribed at the time of licensing were, in the opinion of the board, equal to those prescribed in the Commonwealth of Kentucky at the date of application, and where reciprocal licensing privileges satisfactory to the board are granted to licensees and residents of the Commonwealth, may be granted a license without an examination. In addition to the fees set out in KRS 330.090, a reciprocal licensee fee shall be collected from each applicant meeting the above requirements. The fee shall be the amount of the fee charged by the applicant's state or country to a Kentucky resident applying for a reciprocal license or one hundred dollars (\$100), whichever is greater.

The sign shall be written in clear and legible letters of not less than two (2) inches in height, and shall clearly show his name and indicate that he is an auctioneer. The sign shall be placed so that it can easily be observed and read by anyone entering the place of business; provided, however, that if the auctioneer is a nonresident, it is not necessary for him to maintain an active place of business in the Commonwealth if he maintains a place of business in the state where he was originally licensed.
- (2) Every auction house operator licensed under this chapter shall maintain a definite place of business in the Commonwealth, and shall erect and maintain a sign in a conspicuous place on the premises at or near the outside entrance to all fixed locations. The sign shall be written in clear and legible letters of not less than two (2) inches in height, and shall contain the name of the auction house operator, the fact that he is licensed, and the name of the auction house, if different than the name of the operator. The sign shall be placed so that it can easily be observed and read by anyone entering the auction house.
- (3) Every livestock auctioneer and tobacco auctioneer licensed under this chapter shall conform to the provisions of subsection (1) of this section. If the livestock auctioneer or tobacco auctioneer does not wish to maintain a separate and definite place of business, he may use one (1) of the fixed base locations where he is operating as such place of business. The board shall be kept advised as to the location pursuant to KRS 330.070.

- (1) The board may upon its own motion, and shall upon the verified written complaint of any person, investigate the actions of any licensee, or auction house operator, or any person who assumes to act as a licensee if the complaint, or complaint together with other evidence presented in connection with it, makes out a prima facie case of a violation of this chapter. If a prima facie case is not established or the violation is deemed inconsequential, the board may immediately dismiss the complaint.
- (2) If, after an investigation that includes opportunity for the licensee to respond, the board determines that a violation took place but was not of a serious nature, it may issue a written admonishment to the licensee. A copy of the admonishment shall be placed in the permanent file of the licensee. The licensee shall have the right to file a response to the admonishment within thirty (30) days of its receipt and to have the response placed in the permanent licensure file. 330.192 Auctioneer's education, research, and recovery fund -- Annual charges and assessments -- Purpose -- Use -- Coverage of licensees.

- (1) (a) There is hereby created and established in the State Treasury the auctioneer's education, research, and recovery fund.
(b) In addition to the license fees provided for in KRS 330.070, upon renewal of every license issued pursuant to this chapter, the board shall charge every licensee an amount not to exceed thirty dollars (\$30) per year to be included in the auctioneer's education, research, and recovery fund. Every original applicant for apprentice or auctioneer's license, and every applicant for an auction house operator's license on and after July 15, 1982, shall likewise submit to the board an additional fee of thirty dollars (\$30) to be deposited in the auctioneer's education, research, and recovery fund and shall also be subjected thereafter to an annual renewal fee as of the regular renewal date.
(c) In addition to the license fees provided for in KRS 330.070, the board, based upon its own discretion as to need, may assess each licensee upon renewal an amount equal to or less than thirty dollars (\$30) per year, or nothing, but not more. Each original applicant shall pay the original amount of thirty dollars (\$30), but upon renewal shall pay the same fee as other licensees.
- (2) The purposes of the auctioneer's education, research, and recovery fund shall be as follows: (a) When a licensee has been duly found guilty of violating any one (1) or more of the provisions of KRS 330.110, or any one (1) or more of the administrative regulations duly promulgated by the board, and upon the conclusion of a final order entered by the board or by the courts, if appealed, the board is authorized to pay to the aggrieved person or persons an aggregate amount not to exceed fifty thousand dollars (\$50,000) against any one (1) licensee, provided that the licensee has refused to pay such claim within a period of twenty (20) days of entry of a final order and provided further that the amount or amounts of money in question are certain and liquidated.
(b) The board shall maintain a minimum level of five hundred thousand dollars (\$500,000) for recovery and guaranty purposes. These funds may be invested and reinvested in the same manner as funds of the State Employees' Retirement System and the interest from said investments shall be deposited to the credit of the research and recovery fund, or, in the discretion of the board, to the agency fund account as set out in KRS 330.050(6). Sufficient liquidity, however, will be maintained so that there will be money available to satisfy any and all claims which may be processed through the board by means of administrative hearing as outlined in this chapter.
(c) The board, in its discretion, may use any funds in excess of the five hundred thousand dollar (\$500,000) level, regardless of whether it is from the auctioneer's education, research, and recovery fund fees or accrued interest thereon, for any of the following purposes:
 - (1) To carry out the advancement of education and research in the auction field for the benefit of those licensed under the provisions of this chapter and the improvement and making even more efficient the auction industry as such;
 - (2) To underwrite educational seminars, caravans, and other forms of educational projects for the use and benefit generally of auctioneer licensees;
 - (3) To establish an auction chair or courses at Kentucky state institutions of higher learning for the purpose of making such courses available to licensees and the general public who may seek same on a college or university level;
 - (4) To contract for a particular research project in the auction field for the Commonwealth of Kentucky;
 - (5) To sponsor, contract for, and to underwrite any and all other educational and research projects of a similar nature having to do with the advancement of the auction field in Kentucky;
 - (6) To cooperate with associations of auctioneers and any other groups for the enlightenment and advancement of the auctioneer licensees of Kentucky; and
 - (7) To increase the level of the auctioneer's education, research, and recovery fund above five hundred thousand dollars (\$500,000);
 - (8) To augment the regular trust and agency account of the board.
- (3) (a) In the event that a licensee is found guilty of one (1) or more provisions of KRS 330.110 or of violating one (1) or more of the administrative regulations of the board, and if the amount of the money lost by the aggrieved party or parties is in dispute or cannot be determined accurately, then the amount of damages shall be determined by a Circuit Court in the county where the alleged violation took place, provided that the board has previously determined that a violation of the license laws or of the administrative regulations has occurred and a final order has been entered.

- (b) If such an order has been entered and the license rights of the licensee have been finally adjudicated, then the local Circuit Court shall make a finding as to the monetary damages growing out of the aforesaid violation or violations.
- (c) When a final order has been entered by the Circuit Court, Court of Appeals, or Supreme Court, and upon certification to the board, the aggrieved party or parties shall be paid such amount or amounts in the aggregate not to exceed fifty thousand dollars (\$50,000) by the board, and the license held by the licensee against whom the claim was made by the aggrieved party shall be suspended at least until such time as the licensee has reimbursed the auctioneer's education, research, and recovery fund for all amounts paid to the aggrieved party due to the violation of the licensee.
- (d) When, upon the final order of the court, the board has paid from the auctioneer's education, research, and recovery fund any sum to the aggrieved party, the board shall be subrogated to all of the rights of the aggrieved party to the extent of the payment and the aggrieved party shall, to the extent of the payment, assign his right, title, and interest in the judgment to the commission.
- (e) Any funds in excess of the five hundred thousand dollar (\$500,000) level and which are not being currently used, may be invested and reinvested as set forth in subsection (2)(b) of this section, or, in the discretion of the board, may be utilized for any of the purposes enumerated in subsection (2)(c) of this section.
- (f) All the claims for monetary damages or relief from the auctioneer's education, research, and recovery fund must be made in writing on a proof of loss form submitted to the board within six (6) months of the act of the auctioneer giving rise to the loss. Failure to file such claims within the six (6) month period shall bar the claim. Additional evidence will be submitted by the claimant if required by the board.
- (g) Notwithstanding any other provisions of this chapter, no unreimbursed amount greater than fifty thousand dollars (\$50,000) shall be paid by the board on account of any one (1) licensee, no matter over how long a time, or for how many claims, and no matter what the number of claimants be or the size of such claims, individually or in the aggregate. Should the licensee reimburse the fund for all amounts paid, then future claims timely filed with the board concerning different matters may be received pursuant to this section.
- (h) No claims shall be approved under this section for amounts which, in the aggregate, exceed the maximum payable on account of any one (1) licensee in effect at the time of the act or acts of the licensee giving rise to the claims, except to the extent of said maximum. Statutory increases in the maximum set out in this section do not apply retroactively.
- (4) All categories of licensees under this chapter are covered under the provisions of this section for the benefit and protection of the public.
- (5) This section is not intended to substitute for, circumvent, or duplicate other remedies existing at law or otherwise for claimants or potential claimants, but constitutes a last resort for aggrieved persons who would not, but for the provisions of this section, be able to recover their losses by any other means available. Notwithstanding any contrary provisions of law and in furtherance of the policies set forth in KRS 355.2-328, at any auction sale of horses, the auctioneer:

- (1) May receive bids from the seller, consignor, or his agent, disclosed or undisclosed, if notice has been given in the terms and conditions governing the sale, or otherwise, that liberty for such bidding has been reserved by seller;
- (2) Shall conduct the sale with respect to each lot or parcel on a with-reserve basis unless the seller has authorized the auctioneer, in writing, to conduct the sale on a without-reserve basis, in which event the auctioneer shall announce, in explicit terms, that the goods are being sold without reserve; and
- (3) Shall not be required to announce at any with-reserve sale when the reserve is attained.

330.220 "Absolute auction" defined -- "Reserve auction" defined -- Bids by seller.

- (1) No auction shall be advertised as "absolute" nor shall any advertising contain the words "absolute auction" or the word "absolute" or words with similar meaning nor shall any licensee offer or sell any goods at absolute auction unless:

- (a) There are no liens or encumbrances on the goods, except current tax obligations, easements, or restrictions of record, in favor of any person, firm, or corporation other than the seller, or unless each and every holder of each and every lien and encumbrance, by execution of the auction listing contract, or otherwise furnishing to the auctioneer written evidence of a binding commitment therefor, shall have agreed to the unqualified acceptance of the highest bid for the property, without regard to the amount of the highest bid or the identity of the high bidder; or, alternatively, that a financially responsible person, firm, or corporation, by execution of the auction listing contract or by otherwise furnishing to the auctioneer written evidence of a binding commitment therefor, shall have absolutely guaranteed the forthwith and complete discharge and satisfaction of any and all liens and encumbrances immediately after the sale or at the closing, without regard to the amount of the highest bid received, or the identity of the high bidder; and
- (b) There is the bona fide intention at the time of the advertising and at the time of the auction sale, to transfer ownership of the goods, regardless of the amount of the highest and last bid, to the high bidder, that intent existing without reliance on any agreement that any particular bid or bid level must be made or be reached, below which level the goods would not be transferred to the high bidder; and
- (c) The auction listing contract contains a binding requirement that the sale be conducted without reserve, by specific inclusion of an acknowledgment by the seller that the seller, or anyone acting upon behalf of the seller, shall not bid at the absolute auction, or otherwise participate in the bidding process.
- (2) Compliance with subsection (1) of this section shall not prohibit:
- (a) A secured party or other lienholder who is not the seller from bidding at an absolute auction sale, providing that such bidding does not constitute, nor is it tantamount to the direct or indirect establishment or agreement to the establishment of a reserve price on the goods by the seller or by the auctioneer, or by anyone aiding or assisting, or acting upon behalf of, the seller or the auctioneer; or
- (b) Any individual party to the dissolution of any marriage, partnership, or corporation from bidding as an individual entity apart from the selling entity, on goods being sold at auction pursuant to that dissolution; or
- (c) The inclusion of nonmisleading advertising of certain goods to be sold at "absolute auction" and the nonmisleading advertising of certain goods to be sold at auction with reserve, within the same advertisement, or for sale at the same date and place, providing that advertisement shall make clearly apparent through equal or appropriate emphasis, which goods are being sold by each method.
- (3) Any auction sale is, without requirement of announcement at any time, presumed to be with reserve unless the goods are in explicit terms put up at absolute auction. An auction without reserve means an absolute auction. An auction with reserve means the goods may be put up subject to the seller's confirmation or subject to a certain reserve price.
- (4) (a) The provisions of this chapter shall not prohibit any licensee from bona fide bidding on his own behalf at any auction sale, whether absolute or with reserve, provided that his option to do so shall have been fully disclosed, including disclosure to the seller.
- (b) Except as provided in subsection (2) of this section, the seller may not bid at an absolute auction, nor may anyone bid upon his behalf. No licensee shall knowingly receive such a bid by or on behalf of the seller at an absolute auction.
- (c) Bids may be made by the seller, or upon the seller's behalf, at any auction with reserve, provided that full disclosure has been made that liberty for such bidding is retained. No licensee shall knowingly receive such a bid in the absence of full disclosure.
- (d) There shall be no requirement at a with reserve sale that the reserve be announced when it is attained.

UNIFORM COMMERCIAL CODE; ARTICLE ON SALES;

355.2-328 Sale by auction. (<http://www.lrc.state.ky.us/KRS/355-02/328.PDF>)

(1) In a sale by auction if goods are put up in lots each lot is the subject of a separate sale.
(2) A sale by auction is complete when the auctioneer so announces by the fall of the hammer or in other customary manner. Where a bid is made while the hammer is falling in acceptance of a prior bid the auctioneer may in his discretion reopen the bidding or declare the goods sold under the bid on which the hammer was falling.
(3) Such a sale is with reserve unless the goods are in explicit terms put up without reserve. In an auction with reserve the auctioneer may withdraw the goods at any time until he announces completion of the sale. In an auction without reserve, after the auctioneer calls for bids on an article or lot, that article or lot cannot be withdrawn unless no bid is made within a reasonable time. In either case a bidder may retract his bid until the auctioneer's announcement of completion of the sale, but a bidder's retraction does not revive any previous bid.

(4) If the auctioneer knowingly receives a bid on the seller's behalf or the seller makes or procures such a bid, and notice has not been given that liberty for such bidding is reserved, the buyer may at his option avoid the sale or take the goods at the price of the last good faith bid prior to the completion of the sale. This subsection shall not apply to any bid at a forced sale.

KENTUCKY SALES AND USE TAX GUIDE FOR AUCTIONEERS

The following section was updated by the Department of Revenue in December 2006. This guide is intended for general informational and educational purposes for licensed Kentucky auctioneers, apprentice auctioneers, and auction house operators only; and, as such, may not be suitable for any other purpose.

Introduction: Kentucky Sales and Use Tax is regulated by a combination of statutory law (Kentucky Revised Statutes, Chapter 139), regulations, and case law resulting from court cases. The administration of Kentucky's Sales and Use Tax is delegated to the Kentucky Department of Revenue (DOR). The following is a guide of Kentucky Sales and Use Tax laws and regulations which are relevant to many common auction situations in Kentucky. This guide is not intended to cover all possible auction situations. The Kentucky Board of Auctioneers has compiled this guide with the assistance of the Kentucky DOR.

Any specific questions regarding Kentucky Sales and Use Tax should be addressed to the Kentucky DOR, Division of Sales and Use Tax, 501 High St., Frankfort, KY 40620 at 502-564-5170.

Sales Tax: Kentucky Sales Tax is a tax imposed upon all retailers, at the rate of six percent (6%), for the privilege of making "retail sales" or "sales at retail" within the Commonwealth of Kentucky (KRS 139.200). The Kentucky Sales Tax Law defines a seller as "every person engaged in the business of selling tangible personal property, . . . and every person engaged in making sales for resale." (KRS 139.140).

Use Tax: The Use Tax is a backstop to the Sales Tax and applies to tangible personal property purchased for storage, use or other consumption in Kentucky upon which the Sales Tax has not been paid (KRS 139.310). Property purchased, leased, or rented outside Kentucky for storage, use, or other consumption in Kentucky is subject to the Use Tax. If tangible personal property is purchased for resale, but then used instead of being resold, it is subject to Use Tax.

Auctioneer's Responsibility: The law makes it very clear that all sales of tangible personal property at auction, inside the Commonwealth of Kentucky, are subject to Kentucky Sales Tax. All auctioneers conducting an auction in Kentucky are required, themselves or through their auction company, to obtain and maintain a Sales and Use Tax permit (KRS 139.240).

The Kentucky Sales Tax law considers the auctioneer as the party responsible for remitting any and all Sales Tax due from any and all auctions, regardless of whether or not the tax was collected. Due to the nature of most sales at auction, auctioneers are seldom involved with the collection of Use Tax. However, auctioneers and/or their businesses are liable for Use Tax on their out-of-state purchases.

Charity Auctions: The auctioneer is responsible for collecting the Kentucky Sales Tax due at all auctions. It does not matter that the auctioneer is paid to conduct the auction or is donating his/her time to a charity, government entity, church, or educational organization. While many of these organizations may be Sales Tax exempt on items that they purchase to use within their exempt function, this exemption does not cover items that they sell.

Gross Receipts - Buyer's Premium: The Sales Tax statutes clearly establish the presumption that all gross receipts are taxable "until the contrary is established." The "burden of proof" that an item is non-taxable is not on the purchaser, but on the "retailer"_(auctioneer) (KRS 139.260).

Buyer's Premium: At auctions with a buyer's premium, the Sales Tax is computed on the total amount of the sale including the buyer's premium. Sales Tax is imposed on the retailer's (auctioneer's) "gross receipts" which is defined as "the total amount of the sale" including any services that are a part of the sale (KRS 139.050). Therefore, the Department of Revenue has defined the "sales price," at auctions with a buyer's premium, as the bid price plus the buyer's premium, plus any charges by the retailer for services necessary to complete the sale.

Customer Receipts: The auctioneer must provide each purchaser a receipt showing the sales price of the property sold and the amount of sales tax collected (KRS 139.210)(1).

Remittance: Auctioneers must remit Sales Tax due to the Kentucky DOR according to their assigned filing schedule. The DOR assigns a monthly, quarterly, or annual filing schedule based on the auctioneer's amount of tax due over a given period of time. The tax receipts are submitted within 20 days of the end of the assigned period. If you had no sales during that period, a signed return is still required. Again, the Kentucky Sales Tax law holds the auctioneer as the party responsible for remitting all Sales Tax due from an auction. The law states "taxes to be collected under this section shall constitute a debt of the retailer to the Commonwealth" (KRS 139.210) (4).

Records: All auctioneers are required by law to keep all "records, receipts, invoices, and other pertinent papers in such form as the cabinet may require." This of course includes all auction records and exemption certificates. The law also requires these records are kept for a minimum of four years (KRS 139.720).

Maintenance of these records for the minimum period is especially important in light of the fact that the law allows the DOR four (4) years from when the return was filed to audit the return. It is imperative that the records and files be complete, detailed, accurate, and kept up to date. The Sales Tax law contains a presumption that all gross receipts are taxable until the contrary is established. It is the auctioneer's responsibility to maintain adequate records to overcome this presumption.

Audit: The Kentucky Revised Statutes places the responsibility for the administration and collection of the Kentucky Sales and Use Tax upon the DOR. As part of its administrative duties, the Department is responsible for conducting audits of Sales and Use Tax Returns. The DOR has conducted Sales Tax audits of auctioneers in the past and is expected to continue these audits in the future. Remember that the auctioneer is responsible for all Sales Tax due, regardless if the tax was or was not collected from the customer. In accordance with KRS 131.183 interest will be assessed on any underpayment of Sales and Use Taxes and penalties may be imposed (KRS 131.180).

Non-Taxable Items: Sales and Use Tax in Kentucky applies to all sales of tangible personal property. By definition, Sales and Use Tax does not apply to real estate or to many services. There are three major categories of tangible personal property often sold at auction in Kentucky that are either exempt from the Sales and Use Tax or are not subject to the tax.

1. Property specifically exempt under the law
2. Property purchased for resale
3. Transactions specifically exempt under the law

1. Property specifically exempt under the law: There are numerous items that are, by statute, exempt from Sales and Use Tax. These include certain food items, farm machinery and agricultural items sold to farmers for specific uses, machinery for new and expanded industry, alcohol production facilities, fuel for residential purposes, qualified commercial ships and vessels, locomotives, tombstones, returnable containers, and others.

Due to space limitations, we shall look in detail at common non-taxable items most likely encountered by auctioneers.

Farm Machinery and Agricultural Items

Some farm machinery and agricultural items sold for specific uses are tax exempt. The majority of these items would fall under the Farm Exemption Certificate (Form 51A158), and the On-Farm Facilities Certificate of Exemption for Materials, Machinery, and Equipment (Form 51A159). The purchasers will not have an exemption number. The appropriate form must be signed and completed. The auctioneer must demonstrate "good faith" in accordance with KRS 139.270 in accepting the completed certificate.

(a) Farm Machinery, attachments, and repair and replacement parts. The statutes defines "farm machinery" as "machinery used exclusively and directly in the occupation of tilling the soil for the production of crops as a business, or in the occupation of raising and feeding livestock or poultry or of producing milk for sale." The term "farm machinery," includes "machinery, attachments, and replacements therefore, repair parts, and replacement parts which are used or manufactured for use on, or in the operation of farm machinery and which are necessary to the operation of the machinery, and are customarily so used; but this exemption shall not include automobiles, trucks, trailers, and truck-trailer combinations" (KRS 139.480)(11).

Examples of items which qualify for exemption in addition to the more commonly known items of "farm machinery" are: irrigation systems, tobacco curing equipment, farm wagons, portable insecticide sprayers, chain saws, mechanical posthole diggers, silo unloaders (augers), grain and hay elevators, milking machines, automatic egg gathering systems, egg processing equipment, automatic feeding equipment, automatic waterers, tobacco transplant clipping system, tobacco transplant heating systems including fans, and tobacco transplant seeding systems.

If a farmer wishes to claim the farm machinery exemption, the farmer must properly complete a Farm Exemption Certificate (Form 51A158). Sellers failing to obtain a valid certificate will be held liable for the sales and use tax.

(b) Agricultural Items. These are agricultural items that are not considered "farm machinery," but do fall into one of the following categories. A purchaser must be buying the agricultural item(s) to be "used exclusively and directly in the occupation of tilling the soil for the production of crops as a business, or in the occupation of raising and feeding livestock or poultry or of producing milk for sale or raising and feeding llamas, alpacas, ratites, buffalo, or aquatic organisms as an agricultural pursuit." In order to claim the exemption from tax, the purchaser must properly complete a Farm Exemption Certificate (Form 51A158). Again, sellers failing to obtain a valid certificate will be held liable for the sales and use tax.

The following agricultural items are exempt from Kentucky Sales and Use Tax when purchased by a farmer and the farmer has properly completed and signed the Farm Exemption Certificate (Form 51A158).

1. Seed and fertilizer. Seeds, the products of which ordinarily constitute food for human consumption, or are to be sold in the regular course of business, and commercial fertilizer to be applied on land, the products from which are to be used for food for human consumption or are to be sold in the regular course of business; provided such sales are made to farmers who are regularly engaged in the occupation of tilling and cultivating the soil for the production of crops as a business, or who are regularly engaged in the occupation of raising and feeding livestock or poultry or producing milk for sale; and provided further that tangible personal property so sold is to be used only by those persons designated above who are so purchasing (KRS 139.480)(7).

2. Feed and feed additives. Feed, including pre-mixes and feed additives, for livestock or poultry of a kind the products of which ordinarily constitute food for human consumption (KRS139.480)(30) for ratites (KRS139.480)(24), llamas and alpacas (KRS139.480)(26), buffalo (KRS139.480)(27), or aquatic organisms (KRS 139.480)(9). These exemptions do not include feed or feed additives for farm work stock.

3. Livestock. Livestock of a kind the products of which ordinarily constitute food for human consumption provided the sales are made for breeding or dairy purposes and by or to a person regularly engaged in the business of farming (KRS 139.480)(4).

4. Farm work stock. Farm work stock for use in farming operations (KRS 139.480) (6).

5. Gasoline, special fuels, natural gas, and liquefied petroleum gas. Gasoline, special fuels, liquefied petroleum gas, and natural gas used exclusively and directly to operate farm machinery, on-farm grain/soybean facilities, on-farm poultry, livestock, ratite, llama, alpaca, dairy(KRS139.48)(16), or aquaculture facilities (KRS139.480)(30).

6. Baling twine and baling wire. Baling twine and baling wire for the baling of hay and straw (KRS 139.480) (27).

(c) On-farm facilities exemption. Machinery, equipment, attachments, and repair/replacement parts therefore to be incorporated into a new facility or an existing on-farm facility may be purchased Sales Tax exempt. KRS 139.480 provides the following examples of machinery and equipment that can qualify for the on-farm facilities exemption:

1. Vent board equipment, waterer and feeding systems, brooding systems, ventilation systems, alarm systems, and curtain systems used in raising poultry and livestock
2. Incubation systems, egg processing equipment, water and feeding systems, brooding systems, ventilation systems, alarm systems, and curtain systems used in raising ratites
3. Waterer and feeding systems, ventilation systems, and alarm systems used in raising llamas and alpacas or buffalo
4. Waterer and feeding systems, ventilation, aeration, and heating systems, processing and storage systems, production systems such as ponds, tanks, and raceways, harvest and transport equipment and systems, and alarm systems for producing products of aquaculture

The On-Farm Facilities Certificate of Exemption for Materials, Machinery, and Equipment (Form 51A159) may be executed only for those purchases of materials, machinery, and equipment which will be incorporated into the initial construction of the on-farm facilities exempt under the Sales and Use Tax law. These facilities are on-farm grain/soybean facilities, on-farm livestock or poultry raising facilities, on-farm buffalo raising facilities, on-farm ratite raising facilities, on-farm aquaculture facilities, and on-farm llama or alpaca raising facilities. The use of this certificate by the purchaser constitutes the issuance of a blanket certificate and will remain valid until the completion of the construction project. Farm Exemption Certificate (Form 51A158), must be executed for all subsequent purchases of material to be incorporated into the repair or renovation of an existing on-farm facility.

Horse Industry: For Sales and Use Tax purposes, horses are not considered livestock since they are not normally considered food for human consumption. Therefore, no exemption is available for feed, farm machinery, supplies, equipment, tack, etc. used in raising, training, or boarding horses. However, there are times that the sale of horses is exempt from Sales Tax (KRS 139.531).

Sales for Resale: The auctioneer may accept a Kentucky Resale Certificate (Form 51A105) from the purchaser who is regularly engaged in the business of selling horses. See the discussion on the "good faith" acceptance of resale certificates.

Farm Work Stock: Horses and mules used in farming operations as farm work stock can be purchased Sales Tax exempt by a person regularly engaged in the business of farming (KRS139.480(6)). When selling farm work stock, the auctioneer must obtain a properly completed Farm Exemption Certificate (Form 51A158) from the farmer.

Breeding Stock: Horses purchased exclusively for breeding purposes may be exempt from Sales Tax pursuant to KRS 139.531. A colt, stallion, filly, or broodmare two or more years of age may qualify for this exemption. The auctioneer must obtain from the purchaser the following statement and information on the face of the invoice in order to claim the exemption.

This horse is purchased for breeding purposes only.

Date

Purchaser's Name

Purchaser's Address

Purchaser's Social Security Number or FEIN

Purchaser's Signature

Horses Less Than Two (2) Years of Age: Horses less than two (2) years of age at the time of sale may be purchased exempt from Sales Tax. The age of the horse is to be determined in accordance with the acceptable industry practice for that particular breed. Thoroughbreds' birthdays are recognized as January 1 in the year of their birth. The age for all other breeds is determined by their actual date of birth. KRS 139.531 was amended effective June 1, 2005 to exempt sales of horses younger than two years to nonresidents by eliminating a prior requirement that the horse be transported out of state.

2. Items purchased for resale. Items purchased for resale (not for use) by qualified purchasers (dealers) are not subject to Kentucky Sales Tax. This includes materials (not machinery and/or equipment) used and consumed directly in the manufacturing or industrial processing of tangible personal property which will be resold (KRS 139.470)(11). Repair, replacement or spare parts shall not be considered materials exempt pursuant to KRS 139.470(11). The purchaser must be registered with the Kentucky Revenue Cabinet and hold a Sales and Use Tax Permit Number (KRS 139.240). The purchaser must properly complete and sign the Resale Certificate (Form 51A105) in its entirety. It is important that the certificate clearly indicates the specific item(s) purchased. **Repair, replacement, or spare parts shall not be considered materials exempt per KRS 139.470(11) and is defined in KRS139.170 (4).** A Resale Certificate will not be considered valid and acceptable to the Kentucky Revenue Cabinet unless the auctioneer took the certificate in "good faith."

KRS139.270 (2) states: effective 7/1/2005

"Good faith" shall be demonstrated by the retailer or seller if the retailer or seller:

- (a) Accepts a property completed resale certificate or certificate of exemption; and
- (b) Maintains a file of the certificate in accordance with KRS139.720.

Single purchase or blanket: The resale certificate may either be designated as "single purchase" or "blanket." If the certificate is marked "single purchase," then the certificate is only valid for that specific transaction. If the certificate is marked "blanket," then this certificate is valid for that transaction and all subsequent transactions as long as the auctioneer continues to exercise "good faith." There is no "expiration" period or date on a "blanket" certificate. However, it is the responsibility of the auctioneer to periodically check and update the "blanket" certificate to be sure the information is accurate.

Note: Purchasers, holding a permit number in the nine hundred thousand (900,000) range, are not authorized to use resale certificates for their purchases. These numbers are assigned to businesses which are the consumers of tangible personal property and are not retailers.

Transactions specifically exempt under the law

a. Items purchased for use by a Resident Non-Profit Institution. Items purchased by certain qualified resident non-profit charitable, educational, and religious institutions and historical sites are exempt from Kentucky Sales Tax. These institutions and historical sites must hold a Purchase Exemption Number and properly complete and sign the Purchase Exemption Certificate Form (Form 51A126). The auctioneer is also required to exercise "good faith" in the acceptance of this type of certificate, pursuant to the requirements of KRS 139.270.

b. Items purchased for use by a government entity. Government entities making purchases of tangible personal property for use in the government function may purchase such items exempt from Sales Tax. The government entity must provide the auctioneer a copy of their tax-exempt authorization letter.

Purchasers From Out of State: Purchasers from other states buying inside Kentucky are subject to Kentucky Sales and Use Tax laws and regulations. It is important that these out of state purchasers understand that the sales tax laws of their state do not apply in Kentucky. In many cases, out of state purchasers believe that if they are purchasing an item(s) which is tax exempt in their state that this exemption will also be recognized in Kentucky. This is often not the case.

Also, many other states have exemptions, which are not recognized in Kentucky, such as other states' "Enterprise Zones" and "Blanket Exemption Certificates." Purchasers from out of state buying non-exempt tangible personal property must pay Kentucky Sales Tax unless:

1. The property sold in Kentucky is delivered by the seller (the auctioneer) to a destination outside Kentucky (proper shipping records and documents are required to be kept on file), the purchaser or his representative is responsible for shipping the property out of state, never to return to the state,
OR

2. The purchaser is buying for resale in which case the auctioneer must still demonstrate "good faith" and the purchaser must properly complete and sign a Kentucky Resale Certificate (Form 51A105) with a notation that they are a non-resident purchaser not required to hold a Kentucky Sales and Use Tax Permit. While it is not required, obtaining the purchaser's out of state Sales Tax Permit Number is helpful in proving that they are an established "dealer" buying for resale.

Note - Kentucky now accepts "Multi-state Jurisdiction Exemption Certificates" or the Streamlined Sales Tax Exemption certificate for out of state purchasers buying for resale and accepted in "good faith". A resale certificate from another state is not acceptable in Kentucky.

Enterprise Zones: Certain areas throughout the Commonwealth have been designated as "Enterprise Zones." This designation is given to those areas, which are usually economically depressed, to stimulate growth and capital investment. Businesses that locate in an "Enterprise Zone" can qualify for certain tax breaks, however some zones have expired. The Louisville and Hickman enterprise zones expired December 31, 2003. The Ashland and Covington enterprise zones expired December 31, 2004, and the Lexington and Owensboro zones expired December 31, 2005. The Knox County, Campbell County and Paducah enterprise zones will expire December 31, 2006. Effective 1/1/07, only the Hopkinsville Enterprise zone will still be active.

Qualified businesses or property owners within an "Enterprise Zone" are exempt from the Kentucky Sales and Use Tax for certain tangible personal property. An owner of property located in an enterprise zone may purchase building materials for use in new construction, rehabilitation, or remodeling of an existing building without payment of the Sales Tax. The property owner is required to issue Enterprise Zone Exemption Certificate (Form 51A152). An enterprise zone "Qualified Business" may purchase new and used machinery and equipment exempt from Sales Tax. The "Qualified Business" is required to issue an Enterprise Zone Exemption Certificate (Form 51A151).

The purchaser must properly complete and sign the Enterprise Zone Exemption Certificate (Form 51A151 or 51A152) in duplicate. One copy is to be retained by the auctioneer and one copy provided to the Kentucky DOR as an attachment to the Sales and Use Tax return, which will claim the corresponding Enterprise Zone deduction on line 17. The

certificate's completeness, detail, and accuracy are crucial because they provide the auctioneer with the documentation of an exempt sale. Once a certificate is executed, any potential tax liability transfers from the auctioneer to the purchaser.

For the purpose of purchasing at auction, the purchaser must execute an Enterprise Zone Exemption Certificate on a "transaction by transaction basis". In other words, unlike a Resale Certificate, a new Enterprise Zone Exemption Certificate must be completed for each individual auction at which exempt purchases are made.

Note: Enterprise Zones located in other states are not recognized by the Kentucky Sales and Use Tax law.

Machinery for New and Expanded Industry: Machinery purchased or leased for new and expanded industry in Kentucky which meets certain requirements is exempt from Kentucky Sales and Use Tax. In accordance with KRS 139.170, the tangible personal property must meet the four following requirements:

1. It must be machinery.
2. It must be used directly in the manufacturing process.
3. It must be incorporated for the first time into a plant facility located in Kentucky.
4. It cannot replace other machinery.

Requirement number three makes it very unusual for machinery sold at auction in Kentucky to qualify as Machinery for New and Expanded Industry. However, if the machinery does qualify then a New and Expanded Industry Exemption Certificate (Form 51A111) must be completed, signed, and maintained.

Motor Vehicles: Motor vehicles, including motorcycles, which are licensed for highway uses, are not usually subject to Sales or Use Tax when sold at retail. These vehicles are subject to Motor Vehicle Usage Tax when transferred and registered at the local county clerk's office. KRS 139.470 allows an exemption from sales tax for motor vehicles when:

- (a) Sold to a Kentucky resident, registered for use on the public highways, and upon which any applicable tax levied by KRS 138.460 has been paid; or
- (b) Sold to a nonresident of Kentucky if the nonresident registers the motor vehicle in a state that:
 - 1) Allows residents of Kentucky to purchase motor vehicles without payment of that state's sales tax at the time of sale; or
 - 2) Allows residents of Kentucky to remove the vehicle from that state within a specific period for subsequent registration and use in Kentucky without payment of that state's sales tax.

Effective Aug. 1, 2006, sales of vehicles in Kentucky to residents of states that do not meet the exception criteria listed above are subject to Kentucky sales tax. This provision serves to equalize the tax treatment of motor vehicles purchased by both Kentucky and other state residents regardless of which jurisdiction the purchase occurs. (Indiana is the only border state for which Kentucky sellers are currently required to collect sales tax on sales of motor vehicles to out of state residents.) In these transactions, the taxpayer is required to pay the tax only one time. Another important provision in this legislation is the requirement that the Kentucky sales tax collected on these transactions is earmarked for the road fund. Also, please see the September 2006 Kentucky Sales Tax Facts for more info on the sales of vehicles to nonresidents.

For more information regarding the Motor Vehicle Usage Tax, please telephone your local county clerk's office or the Kentucky DOR Motor Vehicle Usage Tax Section at (502) 564-4455.

Note: The Motor Vehicle Usage Tax does not apply to boats, boat trailers, or other types of trailers.

Boats: Personal and recreational boats and boat trailers are taxable and are treated like any other tangible personal property. Even if the boat and/or boat trailer are/is "registered" or "with title," the auctioneer is still responsible for the collection of the Sales Tax. Commercial ships and vessels may qualify for exemption from the Sales and Use Tax if they are to be used to transport property or persons for hire.

Note: Kentucky Sales and Use Tax law does not contain an exemption for "Documented Vessels."

Trailers: Trailers designed to be attached to a bumper or trailer hitch are subject to Sales Tax regardless of whether or not the trailer is "with title" or "licensed." It is the responsibility of the auctioneer (not the county clerk's office) to collect the Sales Tax on all non-exempt trailers sold at auction.

Semi-trailers: The sale of a semi-trailer or a trailer designed to be supported by a mounting placed in the bed of a pick-up truck is exempt and not subject to Sales Tax. A semi-trailer/trailer is defined by KRS 189.010 to mean a vehicle:

- Designed to have its front-end supported by a motor truck or truck tractor, and
- Intended for the carrying of freight or merchandise, and
- Having a load capacity of over one thousand (1,000) pounds.

Based on this definition, a goose neck (fifth wheel) trailer intended for carrying freight/merchandise would be exempt from the Sales and Use Tax. Whether or not a semi-trailer is "with" or "without" title, and whether or not a semi-trailer is going to be used "on" or "off" the road is immaterial. All semi-trailers which conform to the above definition, including semi-trailers used for storage, are exempt from Sales Tax.

Note: It is the Revenue Cabinet's position that a fifth wheel travel trailer would not be exempt. Accordingly, Sales Tax applies to all travel trailers.

Mobile Homes: Manufactured homes (mobile homes) that have been placed on blocks or a foundation are considered real property when being sold as a part of the land. If the buyer is required, as a condition of the sale of the manufactured home to move the manufactured home from its location, then the transaction is considered a sale of tangible personal property and Sales Tax applies.

FIREARMS

The following is an excerpt from the Bureau of Alcohol, Tobacco and Firearms website (<http://www.atf.treas.gov/firearms/faq/faq2.htm#k1>). The Kentucky Board of Auctioneers recommends that if a licensee has a question, they contact the US Government – Federal Information Center at 1-800-688-9889 for the office nearest your location

K1) Does an auctioneer who is involved in firearms sales need a dealer's license?

Generally speaking, there are two types of auctions: estate-type auctions and consignment auctions.

In estate-type auctions, the articles to be auctioned (including firearms) are being sold by the executor of the estate of an individual. The firearms belong to and are possessed by the executor. The firearms are controlled by the estate, and the sales of firearms are being made by the estate. The auctioneer is acting as an agent of the executor and assisting the executor in finding buyers for the firearms. In these cases, the auctioneer does not meet the definition of engaging in business as a dealer in firearms and would not need a license. An auctioneer who does have a license may perform this function away from his or her licensed premises.

In consignment-type auctions, an auctioneer often takes possession of firearms in advance of the auction. These firearms are generally inventoried, evaluated, and tagged for identification. The firearms belong to individuals who have entered into a consignment agreement with the auctioneer giving that auctioneer authority to sell the firearms. The auctioneer therefore has possession and control of the firearms. Under these circumstances, an auctioneer would generally need a license. If you are not sure if a license is needed in a particular consignment auction situation, contact your local ATF office. See ATF Ruling 96-2

(K2) If a licensed auctioneer is making sales of firearms, where may those sales be made?

In a consignment auction, firearms may be displayed at an auction site away from the auctioneer's licensed premises and sales of the firearms can be agreed upon at that location, but delivery may only be made to purchasers after the firearms have been returned to the auctioneer's licensed premises. The simultaneous sale and delivery of the auctioned firearms away from the licensed premises would violate the law, i.e., engaging in business at an unlicensed location.

However, if the auctioneer is assisting an estate in disposing of firearms, the estate is the seller of the firearms and the estate is in control and possession of the firearms. In this situation, the firearms may be delivered from the auction site. See also Question K1 and ATF Ruling 96-2

LICENSEE LISTING

The following pages contain two listings: the Active Licensee Listing and the Alphabetical Listing of all licensees. The information is current as on January 10, 2008.

The Active Licensees Listing, beginning on page 27, contains the names, business addresses and business telephone numbers of all active licensees. It is sorted by the state, Kentucky county, city and last name of the licensee. An apprentice auctioneer is listed with his/her principal auctioneer.

The Alphabetic Listing of All Licensees, beginning on page 76, includes active licensees and licensees with escrowed licenses. It is sorted by last name. Business telephone numbers are listed. The licensees with escrowed licenses are inactive and may not perform any auctioneering duties as described in KRS Chapter 330.

After each name, the letter before the license number designates the following:

P = Principal Auctioneer A = Apprentice Auctioneer

NP = Nonresident Principal Auctioneer

NA = Nonresident Apprentice Auctioneer

RP = Reciprocal Principal Auctioneer

RA = Reciprocal Apprentice Auctioneer

AHO = Auction House Operator
